

Kids and Castles Tour

The Best of German Castles and Towns

This is a family tour designed for kids 4 through 14 with one or more parents or grandparents or for all three generations together.

For hundreds of years the Rhine has ranked as one of the most popular travel destinations in Europe, and now this region – truly one of the most beautiful in Germany – has been recognized with the title "World Heritage Upper Rhine Valley" by UNESCO.

Spend plenty of time discovering the river, its castles and ruins, tales and legends and also those of its tributaries Moselle, Neckar and Main.

Also spend time in Bavaria to see King Ludwig II's Neuschwanstein, the most famous castle in Germany, and visit the famous Wilhelma Zoo and Legoland Germany.

The days are planned to offer you many highlights but they are leisurely paced with time for you to explore on your own.

Enjoy, relax and let us take care of the details for you.

We continue to KOBLENZ, meaning confluence, where the Moselle joins the Rhine at the Deutsches Eck (the German Corner). Admire the equestrian statue of Wilhelm I. Time to explore Koblenz on your own before we head along the Moselle to visit the twelfth century BURG ELTZ, majestically rising above the end of the wild Eltz Valley, one of Germany's most beautiful castles, surrounded by the river on three sides. Inside visit.

We return to the Rhine, dinner on your own tonight in Boppard, with a big selection of nice outdoors restaurants.

In the Build & Test Centre you can build your own LEGO skyscraper and test how earthquake-proof it is. ADVENTURE LAND is hidden in the middle of a jungle, surrounded by trees and wild animals – all made of LEGO bricks. From there we walk downhill for our inside tour of Neuschwanstein with a castle guide, and then we ride a horse carriage back down the hill.

Day 7, continued

Please wear your tested and proven walking shoes. Although we take transportation up to and back from the site, there still is some steep walking required.

Back down in the village of Hohenschwangau, you have time to have a bite to eat, and to go for a stroll on Lake Alpsee, one of the most beautiful Lakes in the region, where young Ludwig learned to swim.

Completely surrounded by its medieval ramparts with countless towers, Rothenburg is famous for its ancient houses, fountains, cobbled lanes, hidden corners and street signs. Also famous for the Meistertrunk, in which -- according to legend -- the burgomeister saved the town by emptying a 6-pint tankard in one single draught.

Back to Frankfurt for overnight. Farewell dinner tonight at our hotel.
