

I have just returned from the June 2013 Black Forest, Alsace and Switzerland Tour, and it was my second tour with Ms Astrid Baur (last one being the romantic River Castles Tour in September 2011).

As before, everything was perfect in this recent tour: the hotel accommodation, food and sight-seeing were all beauty to the perfection. Most of all, Ms Baur is undoubtedly a born professional with admirable knowledge, at the same time, she was both caring and understanding, and she is blessed with good sense of humour as well as gifted with human touch, making everyone feel at home no matter where we were.

We were also lucky with the weather, the flooding in Europe last month did NOT touch the areas of this recent tour at all, and most of the time, we had sun shine and clear sky.

I have strongly recommend her tours to people in my part of the world, and I personally have already booked both a multi-day tour in addition to another one-day tour for next year.

My heart-felt sincere gratitude , and I look forward to more colourful trips to come in future.
